

animal lovers wanted!

Volunteer with Animal Aide and help us save even more lives

Every year Animal Aide saves hundreds of cats and dogs, adopting them into loving new homes. You can be part of our life-saving team and have fun too! It's easy to get involved!

Here are some of the ways you can help:

- office & administration - answer phones, greet the public etc.
- hands-on animal care
- socialize cats & kittens - give frightened felines the TLC they need to become purrfect pets
- foster babies or adult pets
- fundraising & more!

**Suit your own
schedule - we're
open mornings,
afternoons,
weekdays &
weekends!**

*Have your own ideas about how you can help?
We'd love to hear from you!*

With your help, we can save even more lives!
